NBO Certification: Checklist and Guidelines

One page to keep beside you. Based on the NBO Certification Guide (12.22.25).

THE RULES	THE PACKET FOR EACH NBO	HOW TO COMPLETE EACH DOCUMENT
5 NBOs total ☐ 5 different babies, **or** ☐ 4 babies, with **1 baby seen twice**, at least **1 week apart** **A parent or family member must take part** in every NBO. **Only you** (the person who administered it) submit it. A colleague may sit in as a practice buddy. **Multiples:** only 1 baby per session counts. **All 18 items** must be recorded at least once across the 5 sets. **Label everything** with: first initial + gestational age + current (or corrected) age. **No names or identifiers.** **Send your first 1 or 2 NBOs for review** before the rest.	**SEND for each NBO** (one set per NBO) ☐ Recording Form (labeled, items ticked) ☐ Parent Summary (photo of the completed form) ☐ Narrative (about 500 to 1,000 words) **KEEP, do not send** ☐ Consent 1 signed (English form) ☐ Consent 2 and 3 choices recorded ☐ Baby and family information form ☐ Recording stored per protocol (17) ☐ Tracker (16) updated, items ticked in the coverage grid ☐ Fidelity self-reflection done	**Recording Form:** ignore most of the top header. Label it (initial, GA, age). Tick only the items you administered or observed. Ignore the anticipatory guidance column. In **Strengths** and **Challenges**, organize by **A-M-O-R**. Use **Additional comments** for Parent or Practitioner AMOR moments. **Parent Summary:** 5 bubbles. “What I like and prefer” and “What I find difficult”: the baby’s voice, family-friendly, as many as you like. The two “How I tell you…” bubbles: the specific behaviors. “Ways you can support me”: the themes. Ideally co-create it with the parent; **give the parent the original**; photograph it for submission (initial only). You may complete it alone for learning. **Narrative:** what it was like to be in your shoes. Brief background, then what happened in order, including your decisions, the baby’s states, responses and behaviors, and the parent’s responses. Keep Infant, Parent, and Practitioner AMOR in mind. Type in Word (recommended), or use the form. Optional: color-code the 4 infant systems.

HOW TO SUBMIT	IF A FAMILY COMES BACK	EVERY VISIT
Send the first 1 or 2 NBOs, wait for feedback, then send the rest (one at a time or together). Then complete the online **Certificate Request Form**: exact spelling of your name and credentials, and your preferred email. The Brazelton Institute issues your Certificate of Completion after review.	A second visit is a **full separate set**: Recording Form, Parent Summary, and Narrative. It must be **at least 1 week** after the first. It counts only if the other 4 NBOs are **different babies**. Only **one** baby can be repeated. Use the same initial, mark it **V2**, and write the new age or corrected age. A parent or family member must be present. Re-check recording choices (Consent 2).	**Before:** ☐ Consent 1 signed ☐ info form ☐ recording choice noted ☐ tools packed ☐ practice buddy agreed (if any) **At:** greeting, trainee disclosure, goals, observe, talk, Parent Summary together, “just a snapshot” **Within 24 hours:** ☐ Recording Form ☐ Parent Summary photo (initial only) ☐ Narrative ☐ tracker ☐ recording stored

WHERE TO SUBMIT	FILL IN	CONFIRM (not in my materials)
Email (attachments) to your **Level 2 NBO Certification mentor**, cc **institute@childrens.harvard.edu**. Files: Recording Forms (fillable PDF), Parent Summary photos, Narratives (Word). **Certificate Request Form:** online. The link should be in your “NBO Certification Process” Dropbox folder.	Mentor name: _____ Mentor email: _____ Name and credentials as they should appear on the certificate: _____ Preferred email: _____	☐ Deadline to finish certification ☐ Any certification fee ☐ Dates of mentoring meetings (the Module 1 overview slide mentions monthly meetings) ☐ Mentor agrees to the pre-certification visits and consent wording
