Document Index

Start here: what each document is, which English file each Taglish file was translated from, and what to fill in

All documents are for ConnectEd Kids Therapy Center's free NBO observation program. Version v1.0, 2026-11-05. Each Taglish file is a translation of the English file named beside it, so you always know which English form it came from.

Contents

#	Document	For	English file	Taglish file and its source

[X]	1

Suggested order of use

1. Fill in your name, credentials, mentor, class details, visit location, and retention period.
2. Share 01 to 04 to recruit (letters, overview, social posts).
3. When a family replies: send 05, 06, 07, 08. Book the visit.

4. Before the visit: go over 10, 11, 12 with the family in their language; they sign what they choose. Use 13 for their information.
5. At the visit: use 15 (script), then 09 as the parent's walk-through. Complete the official NBO Recording Form, Parent Summary, and Narrative.
6. After: 14 (feedback), 16 (tracker), 17 (recording protocol).
